*„Sometimes when I reflect back on all the beer I drink I feel ashamed.
Then I look into my glass and think about the workers in the brewery and
all of their hopes and dreams. If I didn't drink this beer,
they might be out of work and their dreams would be shattered.
Then I say to myself, it is better that I drink this beer and let their dreams come true
than to be selfish and worry about my liver.“
Jack Handey, American humorist*
